MEMORANDUM FOR: Commanding Officer  
Army Map Service  
Corps of Engineers, U. S. Army

SUBJECT: Request for Reproduction of the Map of the U.S.S.R.  
(AMS 5104, Scale 1:8,000,000)

1. This Agency has a requirement for copies of the subject map, without roads, railroads and terrain.

2. Mr. Alexander of your organization has indicated informally that the Army Map Service will be able to supply copies, in accordance with the following specifications, for an approximate cost of \$340.00:

(a) number of copies 2,000

(b) plates to be used

- (1) black (names)
- (2) blue (hydrography)
- (3) brown (base features)
- (4) dark purple (international boundary overprint)

(c) regular map paper stock

3. It is requested that copies be supplied as soon as possible as specified in 2. above and that permission be granted for the CIA to enter the item as stock in its map library and to distribute to any requesting government agency.

4. A purchase order in the amount of \$340.00 is attached to cover the estimated cost of the requested reproduction.
